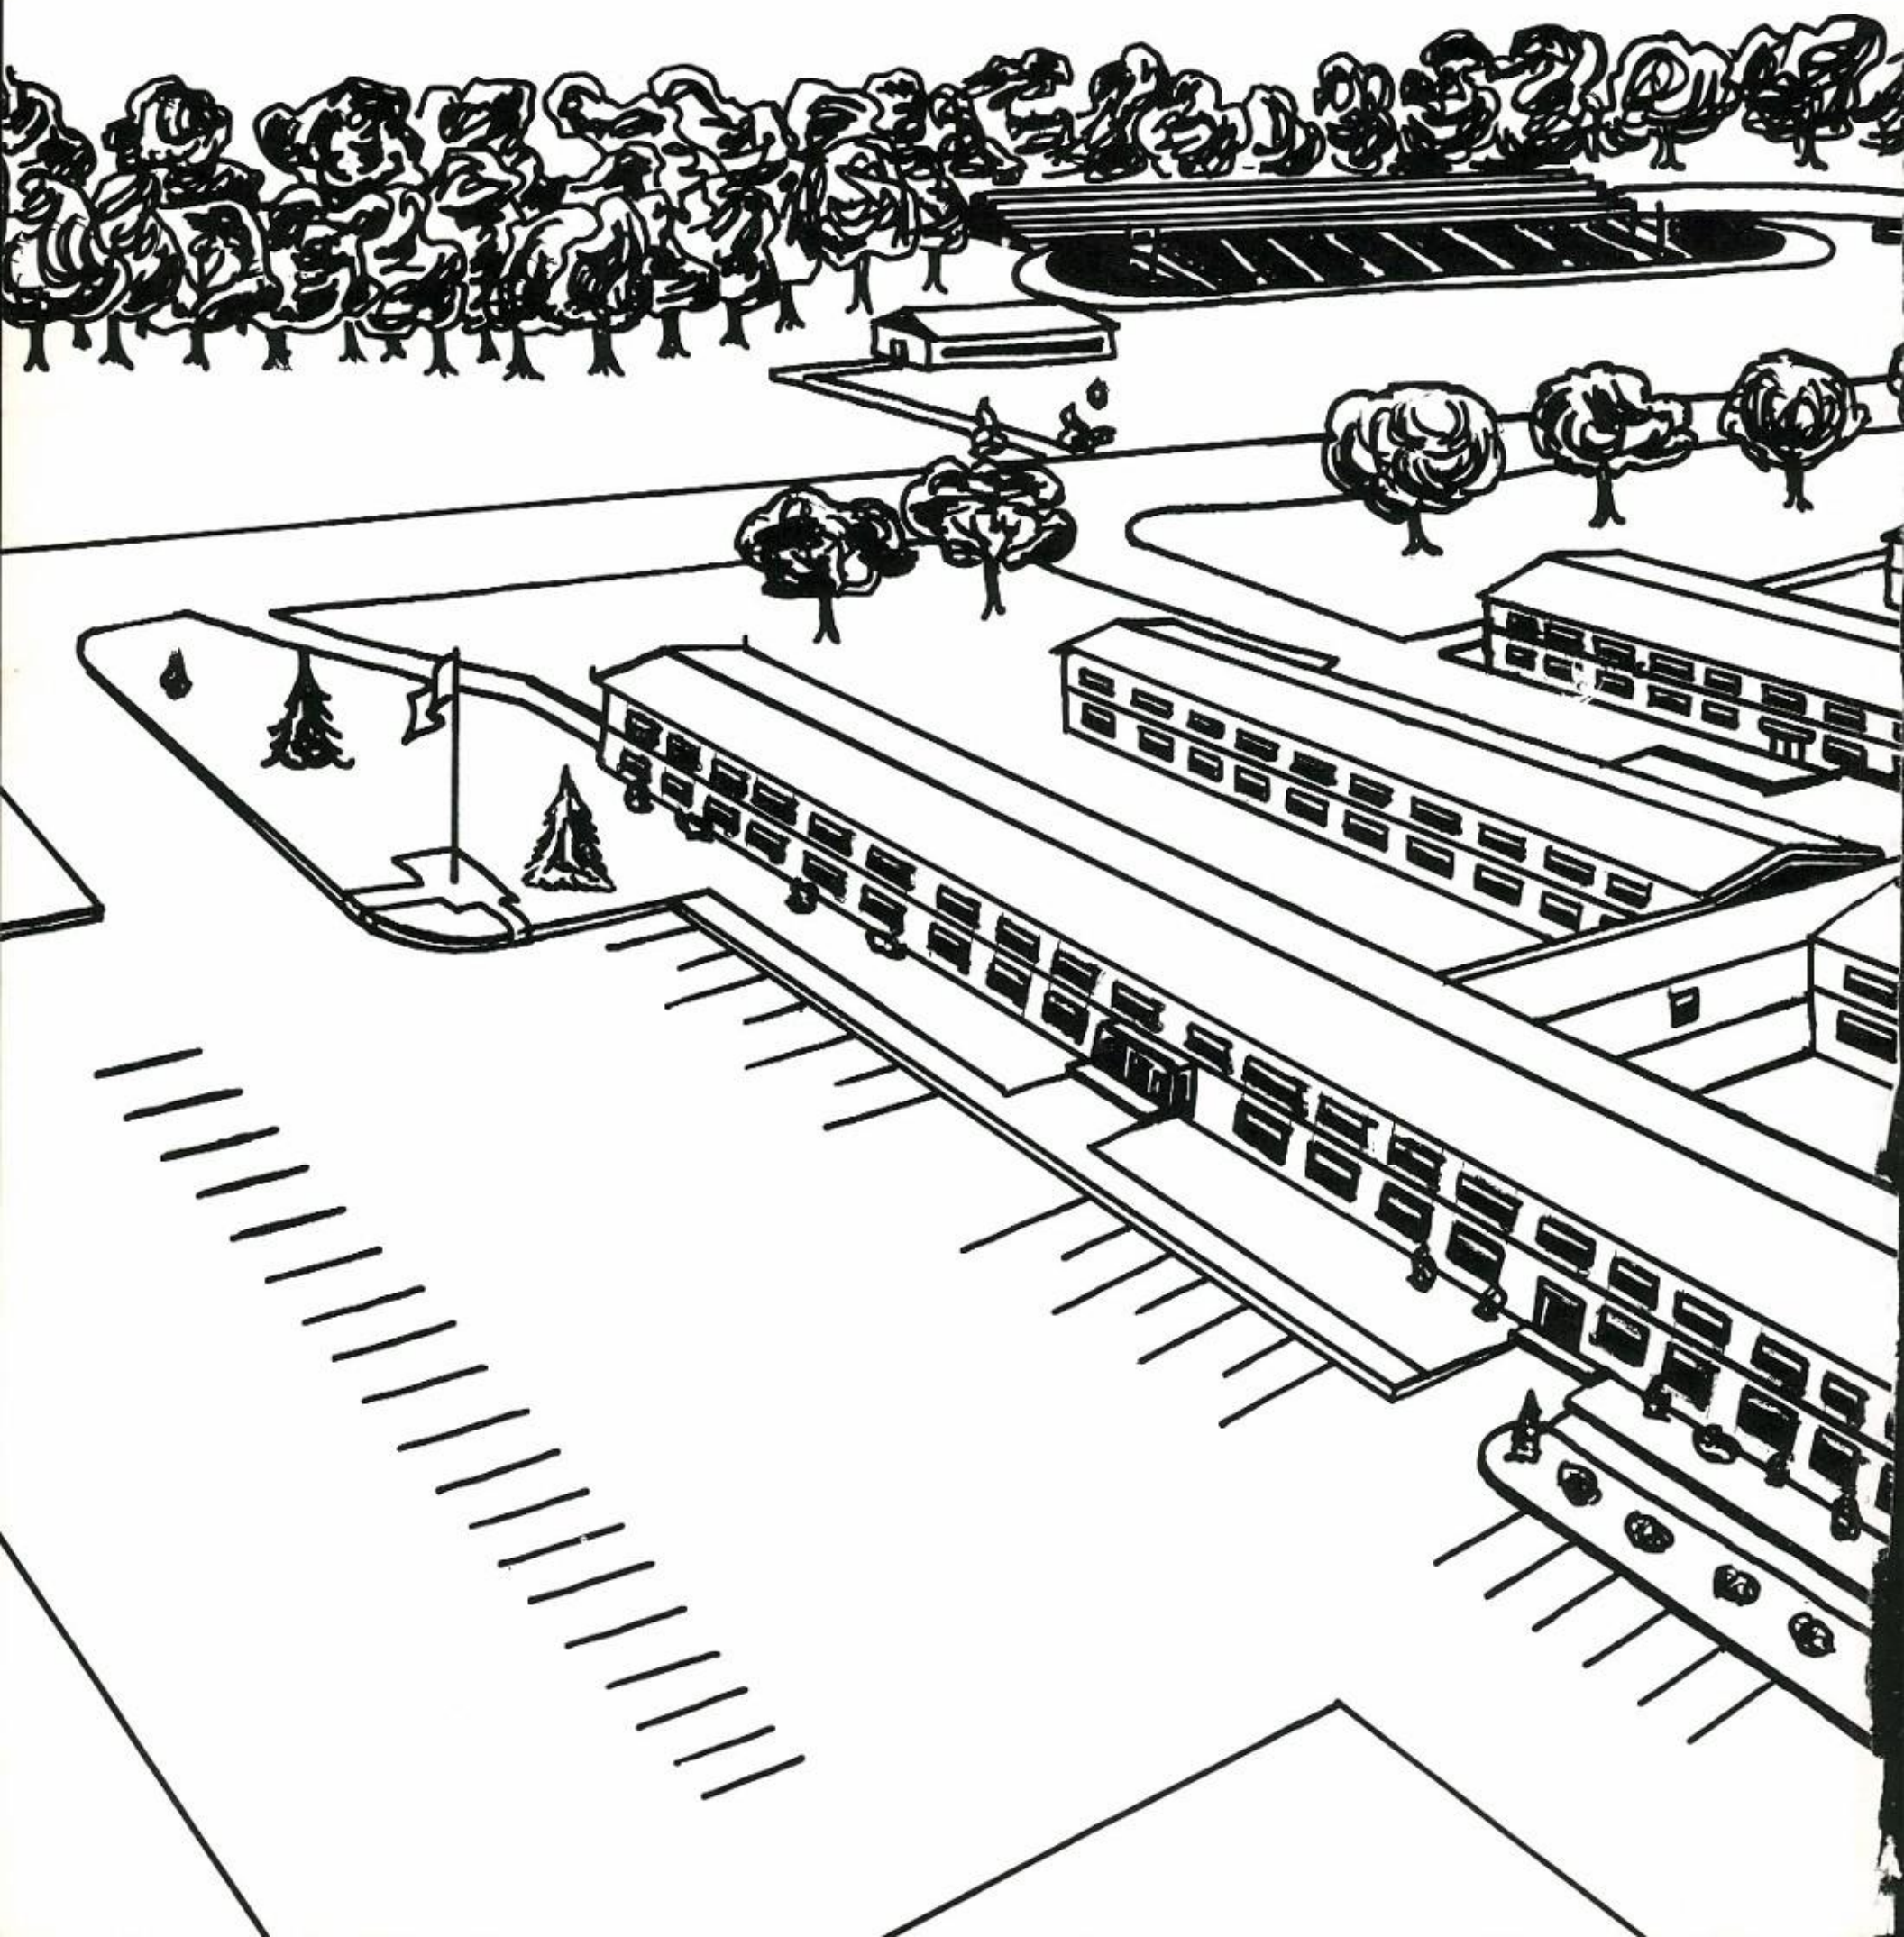
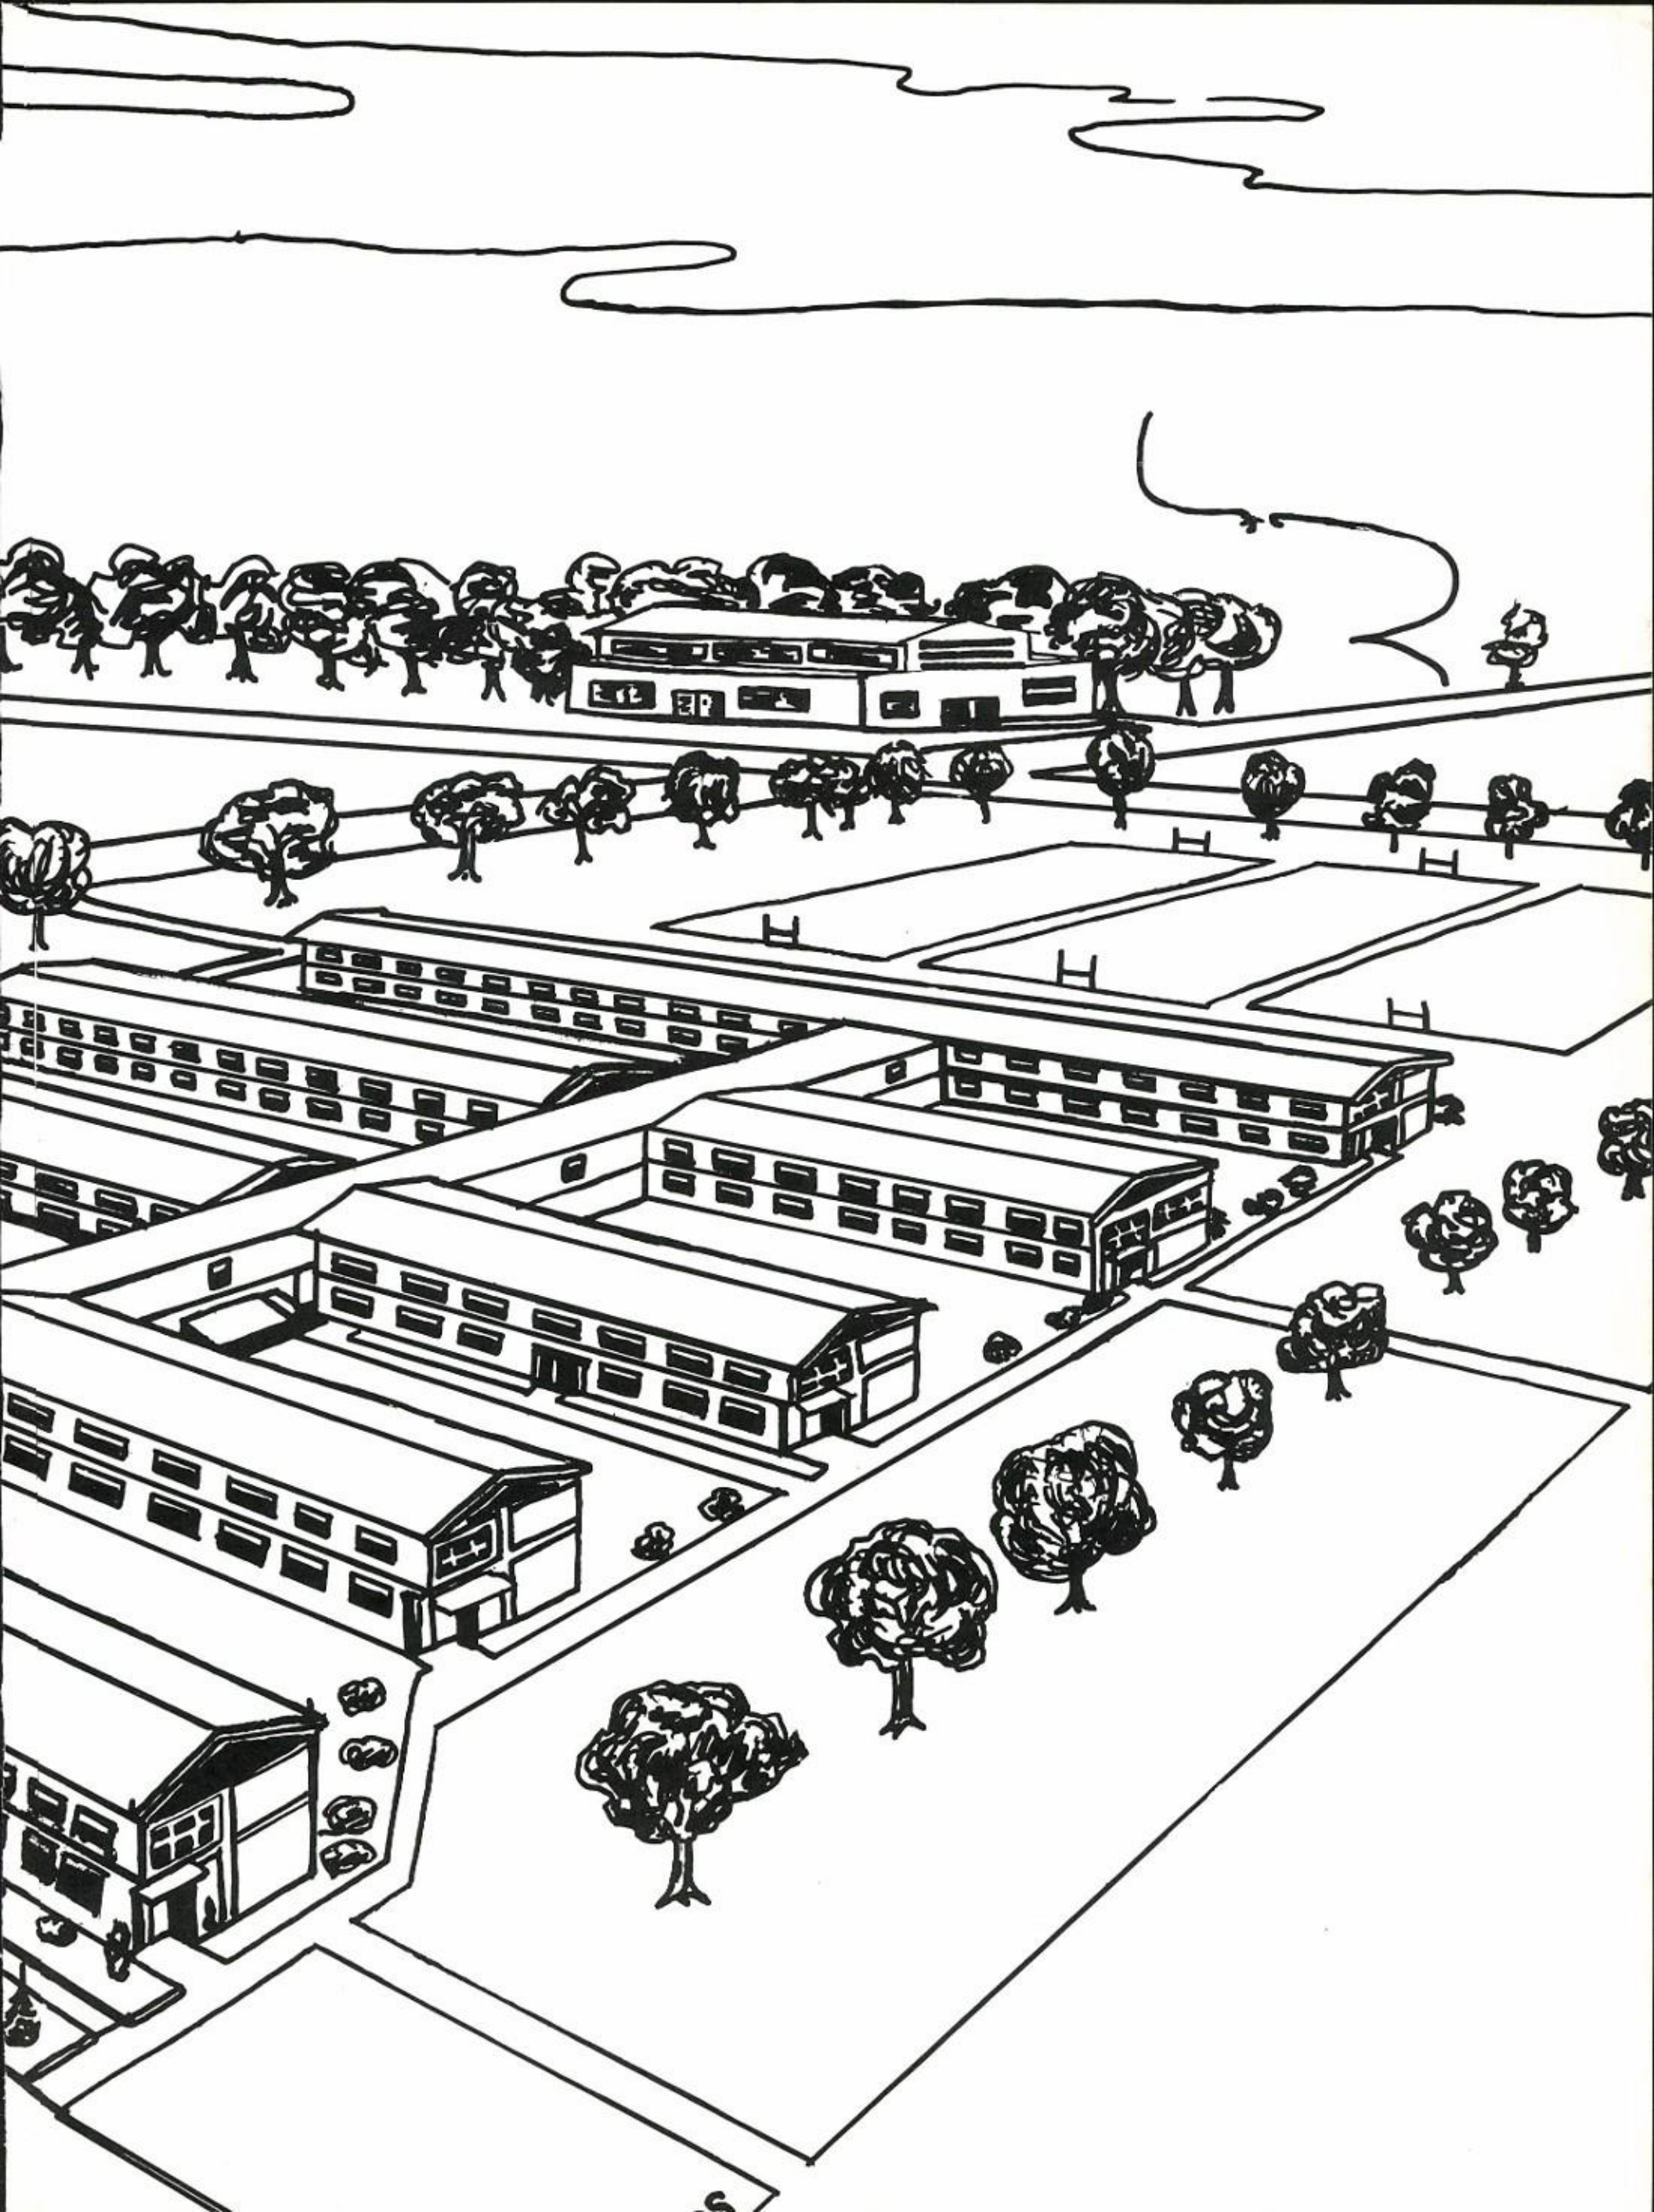
ORLEANS
·FRANCE

We feel that the years we have spent in France
have broadened our understanding of other
peoples of the world.

Orleans
with its cathedral, its famed statue of
Jeanne d'Arc, its bridges, its boulangeries,
its bicycles, has become a part of our
Book of Souvenirs.

The staff sincerely hopes that as you turn the pages of
Le Troyen a few of your fondest memories will unfold.





THANK YOU, MRS. CRANNA

MRS. ELMA M. CRANNA

On behalf of the students of Orleans American High School the Annual Staff of 1960-61 dedicates this yearbook to Mrs. Elma M. Cranna. As school secretary she has shown an interest in coping with our many problems. Always with a sincere understanding she has patiently assisted us.

With appreciation for her helpfulness and sincerity, we gratefully make this dedication.

CALVIN E. VENTERS

The students, faculty, and administration of Orleans American High School will always remember as a rare privilege the opportunity we had of knowing and working with our assistant principal, Mr. Calvin E. Venters. His integrity and his ideals remain with us as inspiration.

The Junior Class has enjoyed this year trying to make O.H.S. a fun-year for all. The first event was the football homecoming. During the year we had to plan for fun-raising activities in preparation for the Prom at the end of the year. We sponsored a cake walk and a jail booth at the O.A.C. carnival.

We ended our year with the Junior-Senior Prom. We felt that all our expectations, anticipations, and hopes were fulfilled with the success of the prom. It is the hope of our class members that because of these activities you will have some fond memories of the year at O.H.S.

OUR MUSICAL PAST

Our vocal groups participated in several concerts, school assemblies, and community activities under the guidance of Miss Annalee Harris. One of the highlights of the year was the Christmas concert, held at the Orleans Municipal Theater.

The high school band, directed by Miss Jan Markle, also had a rewarding year. Uniforms were purchased by the Band Boosters' Club. The band played at football and basketball games, the Christmas concert, and the spring concert. The Band Follies reflected the progress of the whole group.

Organized by several high school musicians, the Blue Notes made their debut at the Homecoming Dance. Mr. Perry at the piano and Miss Markle at the clarinet helped maintain the spark needed for many successful social evenings.

STUDENT GOVERNMENT

SEATED: Hi Hickman, Secretary; Mr. Harper, Adviser; Margaret Rogers, Treasurer; Mike Short, Vice President. STANDING: Suzanne Hoffman, Alan Smith, Clark Grundler, Sherry Davis, Ed Anderson, President; Sally Vilas, Vincent Santurbane, Iris Zavala, Lance Astrella.

STUDENT COUNCIL REPORT

The student council started the year with two weeks of campaigning. For fourteen days posters and political data were posted in every possible space. Each candidate was backed by a petition signed by fifty members of the student body and at least one campaign manager. The day of election speeches were given on behalf of the candidates and by the candidates themselves. Ed Anderson was re-elected president for the 1960-61 school year.

The president and a hard working group of representatives began their yearly tasks. The main purpose of the student government is to teach students responsibilities in school affairs. They work closely with the faculty and therefore create a better student-teacher relationship.

Delegates have been sent to various conventions in France and Germany and through these meetings we have derived benefits on organizing and maintaining the high standards that every school and student government hope to achieve during a school year.

LIBERTÉ ÉGALITÉ ET FRATERNITÉ

The Franco-American Clubs have furthered the education of the American student by promoting knowledge of French customs, educational systems, and history. They promote the better understanding of Orleans and also the surrounding cities and country itself. A most important accomplishment is providing a better understanding between the French and American people.

The French and American students are brought closer together in the understanding of beliefs, customs, living habits, and culture. The main objective of our clubs is to promote better understanding between French and American students, to encourage students to see the many beautiful places of France and to use their knowledge of the French language by becoming acquainted with the French.

OUR ORGANIZATION

The Orleans Chapter of the National Honor Society has four objectives: To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Orleans American High School.

The members of the society are chosen on the basis of scholarship, service, leadership, and character and while the society has few projects to perform during the year the members try to maintain a high set of standards that create an example to be an incentive for every student.

"WE ARE THE FUTURE HOMEMAKERS OF AMERICA"

A slumber party and a trip to Paris were the main events for F.H.A. this year. We also had an active social life with the F.H.A. initiation, the tea for mothers, dinner for student council, and a fashion show. Extra money-earning activities such as bake sales, cookie sales, serving refreshments at P.T.A., and a carnival booth helped to keep our year a busy one. We learn cooking, knitting, sewing, baby care, and many other valuable aids that will someday help us to become leaders and assets to the community in which we live.

SADIE HAWKINS DANCE

THE FIRST TIME I GOT MARRIED

The first time I got married,
'Twas a young man name of Lance
And I had the special wedding
At the Sadie Hawkins Dance.

The ring was twisted wire,
My heart did leap for joy.
I found myself quite lucky,
My husband was a boy.

The preacher was a fat one,
A real, outstanding ham;
Although we call him Bopper,
His name is Marryin' Sam.

We got a piece of paper,
That just fulfilled our need.
He said it was a license;
I'd know if I could read.

Of course I had to kiss him,
And although I'm very shy,
I must admit to you here,
It wasn't hard to try.

To win I had to catch him;
I drug him in at last,
And though he fought me fiercely,
He didn't run so fast.

In all, I really loved it,
But this I have to say,
I'll not again get married
If I'm the one to pay.
